Subject: Speaking on panel Thursday
Attachments: TPs.docx; Final CREO NC General Meeting - Dec 6-7 - Energy Transformation.pdf; Copy of Final Participant List NC2.xlsx

On Thursday (10:15) I am speaking on a panel during a day-long program for the CREO Syndicate. CREO is a group of family investors that meets quarterly to learn about investment opportunities. They are gathering at Duke University to discuss investing in NC's clean energy sector. The panel will have a free-flowing discussion, so I won't read remarks from a script. There will be no media present.

I'd welcome any feedback on the attached talking points. Underlined topics indicate areas the moderator plans to address, and I've bulleted some thoughts for each topic.

Also attached are the agenda and a list of registered attendees. CREO asks that we keep these docs close hold.

I'm out of the office tomorrow and so will review your comments tomorrow night. Thank you for any feedback you can offer.
